

StreamVault Entertainment

Content Roadmap — Q2 2025 to Q1 2026

Content Strategy & Acquisitions | Strategic Planning

Version 2.1 | Last Updated: April 25, 2025 | CONFIDENTIAL

Strategic Vision

StreamVault's content strategy for the next four quarters is anchored in three principles: deepen the Sci-Fi franchise advantage, diversify the Drama slate to attract the 35-54 demographic, and experimentally restructure Comedy through co-production partnerships. Total committed production budget across this roadmap is \$380M, with \$120M reserved for opportunistic acquisitions.

Q2 2025 Releases (May – June 2025)

Title	Genre	Budget	Release Date	Status	Lead Cast
Echoes of Tomorrow (Wide)	Sci-Fi	\$50M	May 9, 2025	Post-Production	TBA
The Hollow Men (Limited)	Drama	\$28M	May 23, 2025	Completed	TBA
Punchline (Platform Drop)	Comedy	\$10M	June 6, 2025	Completed	TBA
Midnight Protocol	Thriller	\$32M	June 20, 2025	In Production	TBA

Q3 2025 Pipeline (July – September 2025)

Q3 2025 is the most ambitious quarter in StreamVault history, anchored by two major Sci-Fi productions and the debut of the Stellar Universe franchise — a direct continuation of the Stellar Run universe following its record-breaking Q1 performance. The quarter also marks the first release under the comedy co-production partnership with Vertex Films.

Title	Genre	Budget	Est. Release	Notes
Stellar Universe: Origins	Sci-Fi	\$85M	July 18, 2025	Stellar Run universe expansion

Ironclad	Action	\$62M	Aug 1, 2025	Iron Protocol sequel
The Cartographer	Drama	\$35M	Aug 22, 2025	Awards season positioning
Night Signal	Thriller	\$28M	Sept 5, 2025	Co-production with Neon Films
LOL: Unscripted	Comedy	\$18M	Sept 19, 2025	Vertex Films co-production

Q4 2025 – Q1 2026 Strategic Slate

The holiday quarter (Q4 2025) will feature StreamVault's most expensive single production to date: Galaxy Protocol, a \$110M sci-fi epic designed to anchor the streaming service through the competitive holiday window. Q1 2026 planning is in early stages; committed productions are listed below with provisional dates.

Title	Genre	Budget	Quarter	Priority
Galaxy Protocol	Sci-Fi	\$110M	Q4 2025	P0 — Flagship
Empire of Shadows	Drama	\$45M	Q4 2025	P1 — Awards
Steel Horizon	Action	\$70M	Q4 2025	P1 — Franchise
Stellar Universe: Rise	Sci-Fi	\$90M	Q1 2026	P0 — Franchise
The Bright Side	Comedy	\$22M	Q1 2026	P2 — Experimental
Fractured Bonds	Romance	\$18M	Q1 2026	P3 — Niche

Genre Investment Allocation

Genre	Committed Budget	% of Total	Target Audience	Strategic Rationale
Sci-Fi	\$325M	47%	18-44	Core strength; highest ROAS
Action	\$132M	19%	18-34	Consistent performer
Drama	\$108M	16%	35-54	Demographic expansion
Thriller	\$60M	9%	25-44	Loyal niche base
Comedy	\$40M	6%	18-34	Restructuring investment
Romance	\$18M	3%	25-44	Valentine/holiday window
